VFW POST 9914 3200 Duck Lake Rd N.

Highland Charter Twp. MI 48356

Nancy was diagnosed with Thyroid cancer in November 2017. Doctors surgically removed her thyroid and Nancy has now undergone 6 straight weeks of chemotherapy and 7 weeks of radiation simultaneously to hopefully clear her body of cancer. Nancy has been unable to work since her diagnosis and radical cancer treatments at the Karmanos Cancer Institute in Detroit and her medical expenses have increased exponentially as her health insurance does not cover some of her doctor recommended treatments.

Friends have come together to help raise some needed money to help with Nancy's ever growing medical bills by throwing a Spaghetti Dinner, Silent Auction, Bake Sale and 50/50 raffle benefit. The dinner is priced at \$10.00 per person. The Silent auction and 50/50 raffle will be held from 4-6 with winners announced at 6:45.

The **VFW 9914 in Highland** is the place you want to be on **March 3rd from 4 to 7 PM** for some tasty food and an exceptional Fundraiser to help Nancy's awesome friends raise some money to help alleviate some of Nancy's growing medical expenses.

Need more information, want to bake something for the bake sale, contribute to the silent auction or just make a donation?
